Western Kentucky Tornadoes

On December 10, 2021, western Kentucky was stricken by devastating tornadoes that resulted in the destruction of communities and loss of life. It is estimated that over 2,000 homes were destroyed or acquired damage because of these storms, displacing thousands. Many of these families were lower income and did not have insurance to cover everything that was lost.

In the following days, the Honorable Order's Board of Trustees set up a disaster relief fund with the generous \$2 million matching challenge from Colonels Shannon T. Ralston, Kristy Ralston Raso, and Amy Ralston Truan. The trustees immediately matched \$1 million and challenged Kentucky Colonels throughout the world to match the remaining million. To date, an additional \$540,443.25 has been raised through Colonels from 46 states, the District of Columbia, and 13 countries. This also includes over \$34,827.20 that was raised through the generous partnership of Colonel Wade Conner and Trinity Metals along with Hotel Tango Distillery to donate bourbon that was sold to Colonels. That's a total of more than \$2.5 million in Colonel contributions!

The Board of Trustees approved in late December \$250,000 in a first wave of disaster relief to 24 organizations providing disaster relief services. This included grants to help provide food, to support long-term care residents, to support domestic violence survivors, to support humane societies and to provide supplies for children. The board also committed to planning a spring Day of Service with several sites in western Kentucky to be scheduled for April 23, 2022. In the first quarter of 2022, another \$768,000 was distributed to 11 additional organizations who have begun the rebuilding process and those who are continuing to support families in need.

The Honorable Order of Kentucky Colonels is committed to supporting western Kentucky and will continue to provide funding to organizations throughout the long-term rebuilding process. The full list of organizations who have received funding is included in this report and on our website, which will be updated regularly.

AppalReD – Prestonsburg

AppalReD Legal Aid received a grant to purchase 55 Samsung Galaxy Tablets for domestic violence survivors to provide them with access to support systems and other resources.

“In domestic violence cases, there’s a lot of instability, insecurity, and fear. These tablets offer a small but crucial amount of peace in a very traumatic time. These tablets provide clients with phone and internet access. It gives them a way to stay in contact with their attorney, advocates, therapist and allows them to reconnect with family and friends all while having no fear that the abuser is tracking them through the device. These tablets are vital to clients in helping them go from victims to survivors.”

— Courtney Taylor, AppalReD Legal Aid Attorney

AppalReD Legal Aid’s mission is to promote equal access to justice, to encourage self-sufficiency, and to empower and improve the lives of low income and other vulnerable people in eastern and south-central Kentucky by providing them high-quality legal assistance.

Legacy of Honor

The Legacy of Honor recognizes Colonels who have made a commitment of \$100,000 or more through their estate plans (and are age 65 or older) or through a gift made over two years. These gifts can establish an endowment in the Colonel's name for the Good Works category of the Colonel's choice.

Happy Feet Equals Learning Feet – Morganfield

The mission and purpose of Happy Feet Equals Learning Feet is to provide high-quality athletic shoes to disadvantaged students so they can better focus on learning. They received a tornado relief emergency grant toward purchasing shoes for children in western Kentucky.

“Happy Feet has locations where it is very difficult for the community to fund shoes for their disadvantaged students, and this is why we write grants such as to the Kentucky Colonels Good Works to help these locations pay for shoes.”

— Jerry Baird, Founder and President

Happy Feet has locations in six of the Kentucky counties that were affected by the tornados, and in addition to the normal athletic shoes they purchase for students, they also purchased rain boots and socks to be distributed to women and children. They have purchased 279 pairs of shoes and boots to date with plans to help an additional 600 people in the coming weeks.

Five Star Council

The Five Star Council recognizes Kentucky Colonels whose donations to the Good Works Program during 2021 totaled five hundred dollars or more.

COLONEL RELATIONS

Day of Service

Last fall, over 50 Colonels, along with their friends and family, joined the Honorable Order for the 5th Annual Day of Service. Colonels donated 153 hours of their time at six different 2021 Good Works Program grantee recipients in five cities throughout the Commonwealth!

In Covington, Colonels helped organize donations at Welcome House of Northern Kentucky. In Lexington, Colonels were at Arbor Youth Services cleaning and organizing. There were two sites in Louisville: Choices and Neighborhood House. At Choices, Colonels organized a storage unit and resurfaced sidewalks, and, at Neighborhood House, Colonels painted hallways and put together large cabinets. In Owensboro, Colonels disassembled a shed and did some outdoor painting at St. Benedict's Homeless Shelter. In Richmond, Colonels completed two portions of an agility course and assisted with the therapeutic riding program at Kentucky Foothills Therapeutic Horsemanship Center.

General's Honor Guard

The General's Honor Guard recognizes Kentucky Colonels whose donations to the Good Works Program during 2021 totaled two hundred and fifty dollars or more.

“I am proud of my time in Kentucky and my involvement in the community during numerous tours in the Army while stationed at Ft. Knox. Being a Kentucky Colonel connects me with other like-minded people who share the joy of serving others. Being a Colonel connects me globally with others who share a love of Faith, Family & County.”

“The Kentucky Colonels’ Good Works Program provides a systematic, proven way to help others. It makes me feel like anything I give is a little more meaningful by combining my contributions with others who are giving to the same causes.”

– Colonel Gary B. Gentry, SC –

Colonels Private Bourbon

In 2021, the Honorable Order partnered with Four Roses Distillery and selected a specialty single barrel for Colonels to purchase, raising over \$15,000 and selling out in record time. Since HOKC first began partnering with Kentucky distilleries and selling limited-edition, specialty bourbons in 2019, over \$68,000 has been raised in support of our mission. HOKC will continue this annual tradition raising funds for the Good Works Program.

General's Staff

The General's Staff recognizes Kentucky Colonels whose donations to the Good Works Program during 2021 totaled one hundred dollars or more.

COLONEL RELATIONS

A Great Colonels Homecoming Weekend!

Having to suspend Colonels Homecoming Weekend in 2020, the Honorable Order was excited to host the event once again in November 2021, welcoming Colonels from 23 states and Canada back to Louisville.

The festivities included an Open House, with Colonels coming to visit the new Colonels Headquarters; a guided tour of the Frazier History Museum's "The Spirit of Kentucky®" exhibition followed by a bourbon tasting; an exclusive private bourbon tasting with Colonel Tom Johnson, the Welcome Reception, and Cocktail Party at the Omni Hotel; and a day at the races on Millionaires Row 4 at historic Churchill Downs. At Churchill Downs, Colonel Shannon T. Ralston presented the Honorable Order with a landmark gift of \$1 million.

Accolades

The following Colonels and individuals were honored with donations made in their name to the Good Works Program in 2021.
